G.O.Rt.No. 499

Dated:13.07.2010.

**O R D E R:**

It has come to the notice of the Govt., that a large number of private professional institutions particularly Engineering Colleges have comeup in the State in the recent past, which do not have required infrastructure like class-rooms, labs, and also qualified teaching staff. This is resulting in substandard education in the professional courses in such institutions. This is clearly reflected in the low average employability of the pass-outs which is even less than 10%. Hence, it has been contemplated to constitute a High Level Committee to go into all the issues relating to provision of basic infrastructure etc. and suggest measures to strengthen the institutions which would result better academic and better output.

2. In view of the above, Government hereby decide to constitute a committee to examine the above aspect of deficiencies and to suggest the modalities and remedial measures to strengthen the Unaided (Private) Professional Institutions in the State, so as to maintain high standards of education.

3. Accordingly, Government hereby Constitute a High Level Committee with the following members to suggest the modalities and remedial measures to strengthen the Unaided (Private) Professional Institutions in the State:-

- (a) The Commissioner of Technical Education, Andhra Pradesh, Hyderabad.
- (b) The Vice Chancellor, Jawaharlal Nehru Technological University, Hyderabad.
- (c) Prof. N.Prakasa Rao, Academic Auditor / Mentor under TEIP (World Bank initiative) for Engineering Institutions in the State of Andhra Pradesh.
